SITEL MK3: THE PERFECT PARTNER FOR  
MARKING PRODUCTS IN INDUSTRIAL  
APPLICATIONS

For more than 25 years, the solutions and exclusive technologies made available by Sitel MK3 [www.sitelmk3.it/en/](http://www.sitelmk3.it/en/), a family run company with Headquarter in Milan, have helped many companies all over the world in the direct marking of products or DPM (Direct Part Marking).

HOW TO CHOOSE THE RIGHT TELESCOPIC  
GUIDE

**Four tips from Rollon to help selecting the right telescopic guide for an intended application.**

The telescopic bearings from Rollon deliver high load capacity and rigidity for applications in harsh industrial environments. If your application requires one, there are some things you'll want to consider like material and stroke options, load placement and life calculation.
